Consumer Loans - Remarks

1. Charge under law 128/75: The above interest rates are subject to the charge under law 128/75 (0.60%), apart from exceptions such as permanent residents of islands with population less than 3,100 (as per Law 2703/99).

- From the above charge under law 128/75 (0.60%), the Municipalities and the Regions are exempted from **01.08.2020**.

-The interest rate of the Overdraft Facility for Farmers for those whose principal occupation is farming, is subject to a 0.12 % charge under Law 128/75, while the interest rate for other beneficiaries is subject to a 0.6% charge under Law 128/75.

2. Floating interest rate on fixed-term loans: This rate is calculated as the sum of the Consumer Credit Base Rate - CCBR, (from 31/12/2024 11.633%), plus the special fixed-rate margin, which differs depending on the type of loan. The CCBR is subject to quarterly revision in line with any change in the 3-month Euribor carried out on the last day of each calendar quarter. Such change shall apply to loans immediately, irrespective of their interest accrual rate.

Weight Off Your Shoulders - dues with NBG: The three-month (3M) interbank rate on Euro deposits, as it stands two (2) business days before the commencement of the interest period of each instalment. If the 3M Euribor rate is lower than the ECB intervention rate, the latter will be regarded as the reference rate.

3. Euribor 3M Reference Rate: Euribor rates and historical data can be consulted via the Internet at www.euribor-ebf.eu.

The same information can also be seen in the BoG Bulletin of Conjunctural Indicators on the website of the Bank of Greece

(www.bankofgreece.gr), as well as on NBG's website (www.nbg.gr). The current Euribor 3M Reference Rate is also published in the daily financial Press.

The ECB Intervention Rate: This is the effective, minimum bid rate of the ECB for Eurosystem refinancing operations (3.15% from 18.12.2024).

This reference index, along with its historical rates can be readily viewed on the webpage of the European Central Bank and on the website of the Bank of Greece (www.bankofgreece.gr). The current ECB Intervention Rate is also published in the daily financial Press.

4. Floating interest rate on overdraft facilities: The Bank is entitled to adjust its interest rates each time the ECB's Intervention Rate changes. The adjustment cannot exceed the equivalent change in the ECB's Intervention Rate and may be carried out either immediately (with every change of the ECB's Intervention Rate) or accumulated for the sum of the last change of ECB's Intervention Rate and the change before that.

5. Calculation of consumer credit loan interest:

- Fixed-term loans: To calculate interest, the year is divided into 12 equal periods, i.e. 12 equal months, and each month is assumed to have 30.4166 days.

- Overdraft: To calculate interest, 1 month equals 1/12 of the year, 1 week equals 1/52 of the year and 1 day equals 1/365 of the year.

6. Debt in arrears: In respect of principal, interest and charges, debt in arrears is subject to the highest default rate, as applicable (currently 2.5 points over the contractual rate applicable) plus charges under law 128/75.

7. Special offers for deposit account holders:

- Account holders of "Professional Plus" are entitled to a 15% discount on the floating rates applying to our "REWARD", "WEIGHT OFF YOUR SHOULDERS for NBG debts (without collateral)" and Overdraft facilities. Moreover, beneficiaries of "Professional Plus" are also entitled to a 30% discount on the handling and operating charges applicable to REWARD.

-- **Holders** of the Privileged Product Bundle "Premium Bundle" are entitled to a 10% discount on the on the floating rate applying to Overdraft.

- Any favorable pricing policy (regarding interest rate, fees etc.) applying to salary deposit accounts and account-linked products and/or benefits in connection with identical or similar products and/or benefits, shall be applicable for as long as the account continues to be credited with payroll or pension funds and for the holders of the Privileged Product Bundle "Premium Bundle" for as long as they are holders of the specific bundle.

8. Special offers for beneficiaries of our salary account bundles:

Beneficiaries of the "Salary Reward" and "Salary Value" account packages can enjoy:

- a discount of 1 percentage point on the interest rate on the "REWARD" basic personal loan, without the interest rate de-escalation feature.
- Overdraft option, the first €150 interest free, and the remaining debit balance charged with:
 - ECB rate +8% for the first year
 - after the first year, a discount of 1 percentage point on the overdraft rate each time applicable.

Note: The favorable rates on consumer loans for beneficiaries of the payroll account packages apply for as long as the accounts are credited with payroll or pension.

9. Account statements sent to the communication address of the Customer:

- quarterly, contractual: free of charge

- monthly (upon customer's request): €0.90/month

The above charges do not apply in cases where, under the contractual terms, the statement is sent on a more frequent basis than quarterly.

10. Special charges for products refinancing consumer credit dues (consumer loans and credit cards):

- Charge for reviewing request to amend loan terms for debt consolidation/repayment facility products: €185 for loans without collateral, €185 for the product WEIGHT OFF YOUR SHOULDERS WITH COLLATERAL.
